Virginia Kindness Week!
Virginia Department of Education

CHALLENGE BOARD

Students across Virginia are being challenged to complete a Kindness Challenge Board during Kindness Week!

Are you ready to accept the Kindness Challenge? In each of the seven squares write an act of kindness that you want to complete this week. Need some ideas? Check out the Kindness Challenge Idea Banks on the Virginia Department of Education's **VA Kindness Week webpage**! Keep track of what you have done by marking an act as complete using the check-box in each square.
